

JOTF JOB OPPORTUNITIES TASK FORCE

ADVOCATING BETTER SKILLS, JOBS, AND INCOMES

We must focus our energies on [Members of the House Rules Committee](#) to urge their opposition to **Senate Bill 983**. Please take a moment to call members of the Committee. Here is a sample call script:

"Hi, my name is _____ and I am contacting you to ask that Delegate _____ keep Senate Bill 983 in the House Rules and Executive Nominations committee. SB983 would undo the unanimous Maryland Court of Appeals ruling that would prevent Marylanders from being held in jail simply because they cannot afford bail. We cannot continue to support a justice system that allows poor individuals to languish in jail because they cannot pay bail. Please allow the Maryland Court of Appeals ruling to stand by keeping Senate Bill 983 in the House Rules Committee. Thank you for giving Marylanders a second chance!"

CALL EACH MEMBER TO VOTE **RED** ON SENATE BILL 983
