

# Charm City Circulator

Selected Findings from 2012  
DOT Rider Survey

## Income

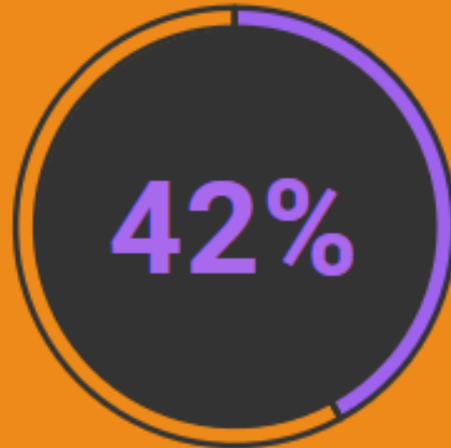

31% of riders earned  
<\$25,000 per year

## Race

34% of riders were  
African American

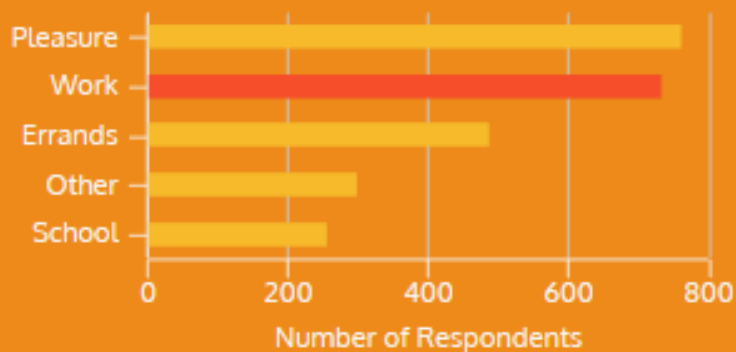

## Frequency

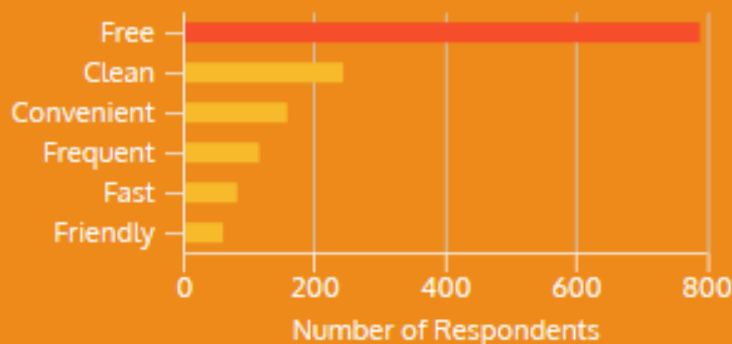

42% of riders rode 4  
or more days a week

As many low-income workers rely on the Circulator, it is essential to keep it free.

## Purpose of Trip

## Best Aspects of the Circulator

As the current Circulator network is very limited, expansion is needed.

More than half of Circulator  
riders live in only 3 ZIP codes  
(21202, 21230, 21201)

## Suggested Improvements
